B. 6900/38 from the Collr of S. Kanara &

... at 45 (F)

The registered holders of ... sub-divisions in S. No. 85 of Badagabettu ... Udipi ... preferred a petition to the Bd. against the Collr's order. The main grievance is that their lands have been charged at the ground rent at the rate of Rs 24.7.0 per acre and the rate is too high as compared with the rate of similar lands in the locality. The rate referred to by the petr. is not correct; the correct rate is Rs 23.12

2/ In connection with the revision of ground rent due at last resettlement in the S. Kanara Dt. the Govt. approved the proposal to enhance the existing rate of assessment agricultural assessment from Rs 6/14-0 Rs 11-4-0 an acre (for dry) ground by Dec. It is gathered from the Collr's report that the lands in question were assigned by the Collr. under B.S. No 21 (vide) the ground rent at Rs 18-12-0 per acre prior to 1913 under B.S.O. No. 21.13, the rate

Comm Dtn 2090 38

ground rent is revisable at every
re-settlement. So under the orders
of the Govt. in G.O. No Ms 1059 Rev (Cmpl) Mp 63-64 (U)
dt 6.5.35, the rate of Rs 18-12-0
has been revised and fixed at
Rs 23.12-0 per acre. There is nothing
wrong in the enhancement in the
ground rent of S. no. 85.

3) The petitioners urge that
as they do not enjoy all the
civic amenities, even though their Contd. M 1-34 (F)
lands lie within the municipality,
the high rate of ground rent should
be reduced. In 1937 the Collr. of Mp 1-24 (L)
S. Kanara recommended to the Board BP No; 3719
that the enhanced rate of ground 2.12.37.
rent should not be applied to the
members of the scheduled classes who
were not enjoying any of the
amenities of the town. The Board Mp 3-4 M
however held that the fact that Mp 3-4 Q (L)
the scheduled classes did not enjoy
any of the amenities of the town
was not an adequate reason
to remit ground rent, ~~which~~
~~is only for a period of~~ ~~remission~~. The fact that the
Board did not ~~think~~ consider it fit to

section of reduction of ground rent
In the case of scheduled classes
quality applies in the case of the
usual petitioners. In the
Rules the petitioners may
be informed that the Bd sees
no reason to interfere with the
Mr's order
